James:

Attached are the results of your request regarding a coat hanger with plastic bottles as arms.

I marked the one reference I found that is before the priority date; it appears in the bibliographic patents. I printed out citations only for those items that appeared at least modestly relevant (excluding those that refer to using plastic bottle chips to form coat hanger arms). Titles for the remaining items are attached for your review.

If you have any questions or would like the search reworked in any way, please don't hesitate to call me at 305-8587 or email me at Julie.walko@uspto.gov.

Sincerely,

Julie Walko
